

Consulting- Marketing and Commerce

Where? Barcelona, Spain

When? February 2017

How long? 3-6 months

Working hours? 40h/week

Located on the outskirts of Barcelona, this company is a leading consulting business with strong focus on international trade and the development of corporate strategies that include promotion campaigns and online marketing. This agency also has extensive experience in accepting interns from diverse backgrounds to become part of the team of consultants: marketing internship, trade internships and consulting internships are the most common positions in this organisation. This paid internship in the province of Barcelona offers students the opportunity to deepen their knowledge in digital marketing and business development through to different activities which are always executed by the supervision of a tutor, the department manager.

Please ask you university/ school whether they are willing to sign a internship agreement.

Your tasks will be:

- Attend meetings where the projects are presented and the actions and tasks to realize are determined, as well as the objectives and the time of execution.
- Collaborate in the market research and the promotional actions that allow to reach new client companies, including the active prospection and direct contact.
- Create and update web contents for internal purposes as well as for projects for client companies.
- and evaluate websites of clients.
- Perform content actions in social media, both internally and for projects directed at client companies.
- Make analysis of the competition.
- Complete administration tasks of the position or active projects.
