BMW ACCELERATOR. INTERNSHIP IN OPEN INNOVATION.

At BMW Open Innovation we bring new ideas to life and shape future mobility. With the BMW Startup Garage, Crowd Innovation, our Tech Offices and the BMW Accelerator, we leverage the innovation potential of internal & external entrepreneurs.

The BMW Accelerator is dedicated to the topic of intrapreneurship – a systematic development and promotion of the innovation potential of BMW's employees. Using Lean Startup methodology and BMW's corporate resources, the Accelerator helps agile startups thrive.

From day one, you will be an integral part of our passionate, fun and low-hierarchy team. Together, we will work on various topics, ranging from the organization of pitch events for start-ups, the creation of crowd innovation challenges to the conceptualization of excubation paths or seed investment funds.

What should you bring to the party?

- An entrepreneurial, future-oriented mindset
- A great interest in the topic of sustainable mobility
- A "do it with passion or not at all"-attitude
- A structured approach to whatever you do
- Studies of business, engineering, media or other relevant fields
- An exceptional academic record
- Fluency in English, German is a plus
- Design Thinking skills and Lean-Startup knowledge
- IT skills (MS Office, Adobe Photoshop, InDesign)

Get involved and experience the best of both worlds:
A dynamic startup environment within a global corporate.

We look forward to welcoming you in our team!
